

BOOK LIST

Orals Field--British History: 1559-1714. This field covers the general development of Britain during the above years. In addition to tracing the evolution of the monarchy, the place of religious ideology and dissent within society and the state, and the great constitutional conflicts of the Civil War and the Glorious Revolution, the field also engages the wider European context of economic and political events in Britain.

I. Britain Under Elizabeth

Collinson, Patrick. The Elizabethan Puritan Movement.

Elton, G.R. Parliaments in the Age of Elizabeth.
